Red Raville  
BIG BAND SOUNDS  
PO Box 337  
Earlville, New York 13332

Dear Red,:

It has been almost a month since the wedding of our daughter here at Elmwood, and her father and I are still "dancing" in our heads remembering the magical evening of dancing and celebration. The BIG BAND SOUNDS made the party!

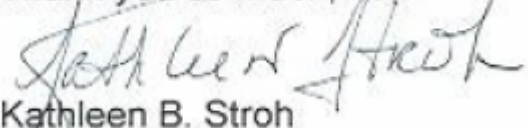

We have received so many thank you letters -- "the band -- the food were wonderful," "the music made me dance again as if I were 16," "first time in years I have had so much fun at a wedding -- you could actually talk to people" Several under forty types commented that if more people knew about you, Discos would be out the door forever up here.

Several people asked if we had imported you from NYC -- the answer "no Chenango County" amazed them -- even those from Morris and Cooperstown. One person swore that Lester Lanin had been reincarnated.

Your band is a hidden resource in upstate New York! Now that we are recuperating from the wedding, we are beginning to fantasize what other event we can put on that would demand your band! Why the Otesago Hotel does not hire you every Saturday night is beyond me -- but then you would not have been available for our wedding.

Would it be possible to obtain about 24 copies of your CD, as Leslie and I would like to give one to each member of the wedding party to help them relive a truly wonderful evening.

Thank you so much, I am
